Once a powerful monastic city that reigned supreme for over a millennium, Anuradhapura was ruled by 113 successive kings and 4 queens. It was a majestic sprawl of magnificent palaces, ornate pleasure gardens, exquisite sculptures, and vast Buddhist temples. The three main 'dagabas' rank among the largest architectural creations of the ancient world, surpassed in size only by the pyramids of Giza.

In the afternoon, visit the sacred Mihintale Temple, a mountain peak near Anuradhapura believed to be the site where Buddhist monk Mahinda met King Devanampiyatissa—marking the introduction of Buddhism to Sri Lanka. DAY 4: Dambulla ~ Sigiriya ~ Hiriwaduna ~ Minneriya ~ Dambulla

In the morning you have the option to climb "Sigiriya" or Lion's Rock a UNESCO world heritage site, the unique icon of Sri Lanka. It is a steep climb with many steps and a decent level of fitness is required. A testimony to the inventiveness of the ancient civilizations of the land, the once impenetrable stronghold of King Kassapa, 'Sihagiri' or Lion's Rock as it was called then, is considered to be the 8th wonder of the world today. The feats of artistry, architecture and engineering at Sigiriya continue to impress visitors with their utter magnificence, even thousands of years on. Intricately landscaped pleasure gardens sprawl out below the rock, giant lion paws hewn in stone mark the entrance to the fortress at its foot and a highly polished mirror wall still carries the scrawled writings of ancient poets. A somewhat treacherous climb up the rock is well worth it to see the impressive ruins of a once glorious city at the summit – 370m high. And the 360-degree view from the top is equally astounding.

Late morning we visit Hiriwaduna for a local Village tour. Take a fun ride in a bullock cart swaying from side to side on an unpaved trail, enjoy a nature walk through a scrub jungle, and wade through a local stream with low hanging branches and cross a lake in an 'oruwa', the traditional mode of over water transport. Spend time with a farmer harvesting crops under his guidance and taste authentic village cuisine prepared by the farmer's family with freshly picked produce and local herbs cooked in clay pots over an open hearth fuelled by firewood. In the afternoon we take another exhilarating jeep safari through the Minneriya National Park which is highly famous for its elephants and wildlife and especially the famous Elephant Gathering where you can see up to 300 majestic Asian elephants at once.

APPROXIMATE DRIVING TIME): 2.5 hours

MEALS: Breakfast, Dinner

OVERNIGHT (3 STAR OPTION): Lario Resort, Dambulla

OVERNIGHT (4 STAR OPTION): Fresco Water Villa, Dambulla

Sigiriya - Lion Rock

NOTE: The visit to Sigiriya takes approximately 3.5 hours. The final 30-minute climb from the Lion's Paw to the summit involves steep and narrow walkways and steps. Those who prefer not to climb to the top can wait at the Lion's Paw for the group's return. Access to sites like the water garden, boulder garden, frescoes, and mirror wall requires climbing.

DAY 5: Dambulla ~ Matale ~ Kandy

After breakfast we travel overland to Kandy stopping at the famous Dambulla Cave Temple. Standing approximately 100m high, the approach to the entrance of the caves entails climbing up the face of the rock, although stone steps have now been cut to make the climb easier. Whilst climbing to the entrance of caves, take time to stop and enjoy the view of the surrounding area, which is truly breathtaking. On the way to Kandy you can visit a spice Garden in Matale, as well as also enjoy a Head massage. There are shops where you can purchase different spices of Sri Lanka.

In the evening visit the sacred Temple of the sacred tooth relic (optional). Just north of the lake, the golden-roofed Temple of the Sacred Tooth Houses Sri Lanka's most important Buddhist relic – a tooth of the Buddha. During puja (offerings or prayers), the heavily guarded room housing the tooth is open to devotees and tourists. However, you don't actually see the tooth. It's kept in a gold casket shaped like a dagoba (stupa), which contains a series of six dagoba caskets of diminishing size. The entire temple complex covers a large area, and as well as the main shrine there are numerous other temples and museums within the complex.

NOTE: When entering temples, hats and shoes must be removed. Avoid leaving shoes on the roadside, as monkeys may steal them. Use the designated shoe storage service for a small fee or pack them in your bag.

While the village itself may not offer much in the way of attractions the locality certainly makes up for it. The majestic Ella rock looming over the village provides an arduous but rewarding hike – and the views from the top are well worth the effort.
