OVERNIGHT: Radisson RED Hotel, Reykjavik

Monday, 21 September 2026: Reykjavik ~ Nuuk – Embark Ship

After an early breakfast, we will make our way to Reykjavik Airport for our flight to Greenland. We will check in, drop our bags, and clear security before boarding our flight to Nuuk.

Flight Details

- Flight: TBC
- Departure: Reykjavik
- Arrival: Nuuk
- Duration: Approximately 3 to 4 hours

On arrival into Nuuk, we will transfer towards the harbour area. If time permits, we may explore the waterfront and nearby old town before embarkation.

Afterward, we will make our way to the harbour to board our expedition ship.

Upon arrival at the port, we will embark the MS Roald Amundsen. After a welcome from the crew, we will settle into our cabin and prepare for the journey ahead.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Tuesday, 22 September 2026: At Sea

Today, we continue sailing south along the coastline of Greenland, enjoying a relaxing day at sea as we prepare for the adventures ahead.

After breakfast, we may explore the ship or attend briefings delivered by the Expedition Team, including important AECO guidelines for responsible exploration.

Throughout the day, lectures will be available covering topics such as Arctic wildlife, geology, and Inuit culture. There may also be opportunities to take part in Citizen Science projects.

We can spend time on deck taking in the scenery, including cliffs, fjords, and icebergs, with the possibility of entering Kuannersooq Fjord if conditions allow.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Wednesday, 23 September 2026: Kujalleq ~ Viking Settlements

Today, we continue our journey through South Greenland, where dramatic landscapes meet a rich blend of Norse and Inuit history.

After breakfast, we prepare for a day of exploration, with landings dependent on weather and sea conditions. Our Expedition Team will guide us ashore by small boat.

Throughout the day, we may visit a range of sites including Kujataa, Qassiarsuk, Hvalsey, and Qaqortoq, each offering insight into Viking history and local culture.

Walking distances are generally short and manageable, typically between 200 metres and 2 km depending on the landing site.

Back onboard, we may relax, attend a lecture, or enjoy the surrounding fjords and mountain scenery.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Thursday, 24 September 2026: Kujalleq ~ Viking Settlements

Today, we continue exploring South Greenland, with more opportunities to discover Viking heritage and Inuit culture.

After breakfast, we prepare for shore landings or scenic cruising, depending on conditions. The Captain and Expedition Team will select the best sites for the day.

Walking distances are generally between 500 metres and 2 km, depending on the location and how much we choose to explore.

Throughout the day, we may join guided walks, take photos, or simply enjoy the Arctic landscapes.

Back onboard, we can relax, attend lectures, or enjoy the views as we continue sailing.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Friday, 25 September 2026: At Sea

Labrador.

After breakfast, we can unwind and enjoy the ship's facilities or attend presentations hosted by the Expedition Team on topics such as wildlife, history, and the Arctic environment.

There may also be opportunities to join onboard activities such as workshops or cultural sessions.

As we sail, we will keep an eye out for the Northern Lights, with conditions often favourable at this time of year.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Saturday, 26 September 2026: At Sea

Today, we continue our journey across Baffin Bay as we make our way towards Labrador and the Torngat Mountains.

After breakfast, we can enjoy the ship's facilities or attend presentations hosted by the Expedition Team, covering topics such as Arctic wildlife and regional insights.

Throughout the day, we may relax in the observation lounges, take in the ocean views from the deck, or participate in onboard activities.

In the evening, we will again have the opportunity to look out for the Northern Lights if conditions are favourable.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Sunday, 27 September 2026: Northern Labrador

Today, we arrive in Canada and begin exploring the Torngat Mountains National Park. After clearing customs, we will be joined by local Park Rangers for the coming days.

After breakfast, we prepare for our first landing, with activities dependent on weather and sea conditions.

Throughout the day, we may visit locations such as Saglek Bay, Nachvak Fiord, and Ramah, each offering unique landscapes and cultural significance.

Walking distances are generally between 300 metres and 2 km, depending on the landing site.

We will also keep a lookout for Arctic wildlife including polar bears and caribou.

Back onboard, we can relax, attend briefings, or enjoy the scenery.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Monday, 28 September 2026: Northern Labrador

Today, we continue exploring the Torngat Mountains National Park with our Expedition Team and local Park Rangers.

After breakfast, we prepare for shore landings or scenic cruising, depending on conditions.

Walking distances are generally between 500 metres and 2 km, depending on the location and how much we choose to explore.

We may visit areas such as Saglek Bay, Nachvak Fiord, or Ramah, with opportunities to join guided walks and observe wildlife.

Back onboard, we can relax, attend talks, or enjoy the scenery as we continue our journey.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Tuesday, 29 September 2026: Northern Labrador

Today, we continue exploring the remote wilderness of Northern Labrador.

After breakfast, we prepare for shore landings or scenic cruising, depending on conditions.

Walking distances are generally between 500 metres and 2 km, allowing us to explore at our own pace.

Throughout the day, we may join guided walks, observe wildlife, or enjoy the surrounding landscapes.

Back onboard, we can relax, attend lectures, or take in the views as we continue sailing.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Wednesday, 30 September 2026: The Labrador Coast

Today, we begin cruising south along the Labrador Coast, exploring a region rich in history and culture.

After breakfast, we prepare for possible landings or scenic cruising, depending on conditions.

We may visit locations such as Hebron, Mugford Tickle, Hopedale, Battle Harbour, and Red Bay.

Walking distances are generally between 500 metres and 2 km, depending on the location.

Throughout the day, we learn about Indigenous traditions, European settlement, and the region's maritime history.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Thursday, 1 October 2026: The Labrador Coast

Today, we continue cruising along the Labrador Coast, exploring its history and landscapes.

After breakfast, we prepare for landings or scenic cruising, depending on conditions.

Walking distances are generally between 500 metres and 2 km.

We may visit locations such as Hebron, Hopedale, Battle Harbour, or Red Bay.

Throughout the day, we can join guided walks, explore local communities, or enjoy the views from the ship.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Friday, 2 October 2026: The Labrador Coast

Today, we continue cruising south along the Labrador Coast.

After breakfast, we prepare for landings or scenic cruising, depending on conditions.

We may visit locations such as Hebron, Mugford Tickle, Hopedale, Battle Harbour, or Red Bay.

Walking distances are generally between 500 metres and 2 km.

Back onboard, we can relax, attend lectures, or enjoy the coastal scenery.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Saturday, 3 October 2026: The Labrador Coast

Today, we continue exploring the Labrador Coast.

After breakfast, we prepare for landings or scenic cruising, depending on conditions.

Walking distances are generally between 500 metres and 2 km.

We may visit locations such as Hebron, Hopedale, Battle Harbour, or Red Bay.

Throughout the day, we can join guided walks or enjoy the surrounding scenery.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Sunday, 4 October 2026: The Labrador Coast

Today, we continue cruising along the Labrador Coast.

After breakfast, we prepare for landings or scenic cruising, depending on conditions.

Walking distances are generally between 500 metres and 2 km.

Throughout the day, we may explore historic sites, local communities, or enjoy the coastal scenery.

Back onboard, we can relax, attend lectures, or take in the views.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Monday, 5 October 2026: Newfoundland

Today, we arrive in Newfoundland.

After breakfast, we prepare for exploration, with landings dependent on conditions.

We may visit locations such as St. Anthony, L'Anse aux Meadows, Norstead, or Bonavista.

Walking distances are generally between 1 and 2 km.

Back onboard, we can relax and enjoy the journey.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT: MS Roald Amundsen

Tuesday, 6 October 2026: Newfoundland

Today, we continue exploring Newfoundland.

After breakfast, we prepare for landings or scenic exploration, depending on conditions.

We may visit locations such as St. Anthony, L'Anse aux Meadows, Norstead, or Bonavista.
