DAY 3: Sun Island Resort & Spa Free Day

For the adrenalin seekers, get onboard one of our vessels, accompanied by our expert guide, and experience one of our fishing or boating excursions. Experience dolphin watching, with the backdrop of sunrise or sunset, as you savour the sense of freedom on the open sea. Take a boat out into the sea on a snorkeling excursion and let the manta rays and turtles swim with you. Or gently cruise the ocean and experience the thrill of a whale shark sighting. Visit nearby islands, interact with the locals and learn about their way of life. Savour serenity and peace at Tholufushi, your own a private island. It's all yours to spend a day or enjoy a romantic dinner.

WHALE SHARK TRIP

Whale sharks can grow up to 18 meters in length and feed on plankton. They are completely harmless to us and peacefully cruise along the stretch of outside reef. There are very few places where whale sharks can be found consistently and one of them is the southernmost outside reef of our atoll. Are you ready to schedule a meeting of lifetime with one of them?

The island of Nalaguraidhoo is surrounded by natural beauty. Escape to an exotic world of breathtaking possibility, where adventure and relaxation are equally within reach. Our island is home to all sorts of wildlife, making it perfect for environmental enthusiasts.

The resort has its own Migratory Bird Sanctuary. Various migratory birds take shelter in the dense tropical vegetation of Sun Island. While birds can be seen everywhere across the island, their true sanctuary is located close to our botanical gardens and has been left untouched. Enjoy the bird songs and become at one with the nature.

Why not rent a bicycle and see where the beautiful green pathways will take you? Our gardeners take great pride in ensuring that every walk you take on the island allows you the opportunity to be surrounded by beauty. Whether you're looking to take some time away from the beach or a keen bird watcher, we guarantee you'll never be far away from the spectacular.

Enjoy your last night at the resort with a romantic dinner and sunset cocktails. You can add an all inclusive drinks packages or purchase drinks as you go. Contact MyHoliday2 for an idea on drinks prices to help you decide.
